

Electrochemical Science & Technology 2012

Event - Electrochemical Science & Technology 2012 ∪

Title	Electrochemical Science & Technology 2012
When	Thu, 11. October 2012, 15:00 h - Fri, 12. October 2012, 17:00 h
Created by	Super User

Description

Annual meeting of the Danish Electrochemical Society Conference on Electrochemical Science and Technology
11-12 October- 2012
At Dept. of Chemistry, Aarhus University, Denmark

For preliminary conference program [click here](#)

The Danish Electrochemical Society is organizing the annual two days conference on **“Electrochemical Science and Technology”**. The ambition of the conference is to foster an interdisciplinary interaction between students, researchers and industry professionals working in the broad area of ‘Electrochemical Science and Technology’. Another ambition of the conference is to reveal and link together the many different places in Denmark and Scandinavia using electrochemistry in the academic as well as the industrial world.

The conference will mainly focus on contributions from Ph.D. and Post-Docs as Oral or Poster presentation. There will be invited contributions from academic and industrial experts. The society welcomes all students to use the conference as a platform for evaluating their research on a wider perspective, and a training ground for scientific presentations and discussions.

There will be a social gathering as part of the conference on the first day evening to bring together participants in an informal atmosphere. The Society will award a student prize for best presentation and best poster.

We welcome you all to Aarhus in October 2012.

Organising committee

- Mogens Hinge, iNano, Dept. Of Eng., Aarhus University

- Kim Daasbjerg, iNano, Organic Surface Chemistry, Aarhus University
- Torben Lund, Roskilde University
- The board of the Danish Electrochemical Society

ORGANISATION TIMETABLE

- Deadline for abstract submission September 7th 2012
- Notification of abstract approval September 14th 2012
- Conference – October 11th and 12th. 2012

TOPICS

All subjects related to broad area of “Electrochemical Science and Technology”

Abstract submission

Authors are requested to submit abstracts before September 7th 2012.

Abstract MUST use the template of the Danish Electrochemical Society, which can be downloaded here <http://www.electrochemistry.dk/images/stories/DEF-template.doc>

The abstract should be written in English (UK). Proposed papers for oral or poster presentation will be selected by the organising committee. However, authors are requested to make their choice on the type of presentation (poster/oral) during abstract submission. The contributions from students do not need to be based on a completed research programme.

Schedule of the conference

The conference will last for two days. The event will start on the afternoon of October 11th with a symposium on: **“Electrochemistry in surface modification”** with invited speakers from both industry and academia.

After the symposium, there will be a tour of “Nanohuset” at the Institute of Chemistry, followed by a conference dinner at the restaurant of the Institute of Chemistry.

On Friday, October 12th the conference will start with an invited lecture by

- Dr. Frederic Kanoufi,
- Physico-Chimie des Electrolytes, des Colloides et Sciences Analytiques
- ESPCI ParisTech, CNRS Paris,
- France

Registration

Before September 21th to <https://webshop.dpu.dk/EST>

After September 21th contact [Mogens Hinge](#) for availability

Please inform name, title, E-mail address, organization name and address, zip-no./town, phone no. of organization and invoice address.

- The Fee for Members of the Danish Electrochemical Society and the ATV-SEMAPP Society is DKK 1600.
- For students and PhD students: DKK 1100.
- For non-members the fee is: DKK: 2600.

Postal address – Abstract & registration

Abstracts and registration should be submitted to the Secretariat of the conference. Preferred submission is by email, but postal submissions are also accepted at the address:

- Institut for kemi
- Langelandsgade 140, DK8000 Aarhus C.
- Denmark
- Att: Mogens Hinge
- E-mail Hinge@chem.au.dk

Please mark “Abstract for Electrochemical Science and Technology” in the title of email / letter

Language

The language for the conference is English.

The Danish Electrochemical Society Sponsors:

Venue - Aarhus University

Location	Aarhus University
